

AT THE TWO PARKS

Three Favorites Win in Four Events at Kent.

TROTTING AT COMSTOCK TRACK

Small Crowds Turn Out to Enjoy the Sport—No Very Great Amount of Money Exchanged.

It was a shy, modest, retiring crowd that attended the races at the Kent grounds yesterday. It was not a very large one, but it was a very good one. The book makers and caddy held their hands inside their pockets. As to the numbers it was also a little shy. There was a reaction from the immense crowd Monday, and not more than 1,000 persons tripped through the gate.

Betting was very light and the book makers could have made more money matching pennies or shooting craps.

The track was in much better condition than it was Monday. It was generally conceded that Uncertainty had a walkaway in the first and Lollie in the second. Zorilla was regarded as a sure winner in the third and Pagan was to capture the stakes in the fourth. With these probabilities nobody cared to back the field very heavily, and there wasn't any money in backing the favorites. Zorilla was the only very favorite that did not win.

One-half Mile Event.
The horses went to the post shortly after 3 in the one-half mile race in heats and got off after three unsuccessful attempts. Uncertainty took the lead with Josie Wells a close second. Uncertainty won the first heat in 51.1. The second heat was a tame affair.
